

WINE-TERACTIVE !

FOLLOW THE VOICE
WITH THE « WINE-TERACTIVE » VISIT !

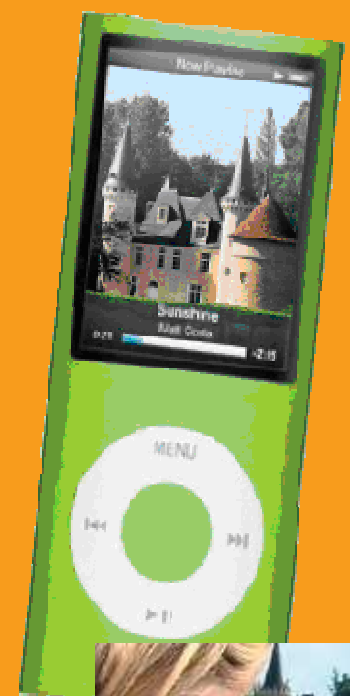

While children are trying to free the Star Princess imprisoned for centuries in one of the chateau's tower, adults can further their knowledge of the wines and history of the chateau.

Equipped with an audio and video I-pod which will act as your guide, you can discover the estate, its history and its wines in an original way by answering all the questions asked throughout a discovery tour .

NEW FROM 2010 :

A "sustainable development" visitor circuit to discover the 4 treasures of the Médoc (Architecture, Forest, Vines and Marshes) is also available on the same Family I-POD principle.

Adults 5€ / Children: 2€
No booking required for individuals
Booking essential for groups as from 9 people.
This virtual visit is followed by a tasting.

French/English
